

Hi Cathy

With Christmas just around the corner, we are preparing for another crazy few months leading up to the festive season. What does the Christmas season mean for you?

- Taking time out to relax?
- Friends and relatives coming to stay?
- Outdoor entertaining?
- More time spent around the house?

What will make Christmas more comfortable for you and your guests?

- Getting those odd jobs out of the way.
- A deck or outdoor living area.
- Entry and door replacement or modification.
- Bathroom, kitchen, laundry renovation.

Did you know that some tradesmen can only attend to 50% of their workload leading up to the Christmas period? To ensure you get your jobs completed you should start planning now. We would love to help you out and schedule some dates for your pre-Christmas renovation, or if it's just a list of small jobs you've been putting off for a while, we can assist. We can do all sorts of repair and maintenance jobs including:

- Replacing doors, both internal and external
- Hanging pictures, mirrors, art etc.
- Replacing broken tiles
